

Q1PE MAR 18 2000 (use as many sheets as necessary)

Substitute for form 1449B/PTO			Complete If Known	
			Application Number	09/581,651
			Filing Date	June 15, 2000
			First Named Inventor	Schor et al.
			Group Art Unit	1642
			Examiner Name	Stephen L. Rawlings
Sheet 1 of 3	of	3	Attorney Docket Number	350013-72

RECEIVED APR 01 2002 SR TECH CENTER 1600/2900

SR 26 ELLIS et al., Autognostic effects of TGF- β 1 and MSF on fibroblast migration and hyaluronic acid synthesis, Possible implications for dermal wound healing, Journal of Cell Science, Vol. 102, pp. 447-456 (1992) UK

SR 27 PICARDO et al., Detection of migration stimulating activity in wound fluid, Experimental and Molecular Pathology Vol. 57, pp 8-21 (1992)

SR 28 SCHOR et al., Heterogeneity amongst fibroblasts in the production of migration stimulating factor (MSF): Implications for cancer pathogenesis, Cell Motility Factors, pp. 127-146, 1992

SR 29 SCHOR et al., Fibroblasts from cancer patients display a mixture of both fetal and adult-like phenotypic characteristics; Journal of Cell Science, Vol. 90, pp. 401-407 (1988) UK

SR 30 SCHOR et al., Fetal and cancer patient fibroblasts produce an autocrine migration stimulating factor not made by normal adult cells, Journal of Cell Science, Vol. 90, pp. 391-399 (1988) UK

SR 31 SCHOR et al., Characterization of migration-stimulating factor (MSF): Evidence of its role in cancer pathogenesis, Cancer Investigation Vol. 8(6), pp. 665-667, (1990)

SR 32 SCHOR et al., Mechanism of action of the migration stimulating factor produced by fetal and cancer patient fibroblasts: Effect on hyaluronic acid synthesis, In Vitro Cellular Development and Biology, Vol 25, Number 8, pp. 737-746, August 1989

*EXAMINER: Initial if reference considered, whether or not citation is in conformance with MPEP 609. Draw line through citation if not in conformance and not considered. Include copy of this form with next communication to applicant.

¹Applicant's unique citation designation number (optional). ²Applicant is to place a check mark here if English language Translation is attached.

Burden Hour Statement: This form is estimated to take 2.0 hours to complete. Time will vary depending upon the needs of the individual case. Any comments on the amount of time you are required to complete this form should be sent to the Chief Information Officer, U.S. Patent and Trademark Office, Washington, DC 20231. DO NOT SEND FEES OR COMPLETED FORMS TO THIS ADDRESS. SEND TO: Assistant Commissioner for Patents, Washington, DC 20231.
